WEDDING PHOTOGRAPHY PACKAGES

THREE HOUR SERVICE: 650 EUR**

Normally used to cover The Ceremony and Formal Portraits, the 3 hour option is perfect for those who know exactly what they need. This package can be placed anywhere during your wedding day. Contact me for any general enquiries and travel prices outside of Sitges. Whatever you need I'm sure we can make it work.

**Only available within a ten mile radius of Sitges.

FIVE HOUR SERVICE: 950 EUR*

This package really works well for those who want a broader range of coverage. Most key moments will be included within this time-frame. Like all of the packages the 5 hour coverage can be placed anywhere within your

day. This really is the most popular of all of the packages available. Please feel free to contact me for additional information and to arrange an informal meeting.

TEN HOUR SERVICE: 1850 EUR*

This is truly the best way to insure total coverage of all key moments throughout the entire day. Starting with 'Getting Ready' and 'Guests Arriving' with some informal portraits of family members and guests, I'll continuously shoot through the day for 10 hours - shooting over 6000 files to then be edited and graded over 3 to 4 days. This is absolutely the best option for those who want a broad range of photography and not to miss a single moment.

*Includes local taxes. 50% deposit to secure the date.
